

BANKRI

ONLINE BANKING AGREEMENT

Introduction

This Online Banking Agreement (the “Agreement”) is made between you (collectively, “Customer,” “you,” “your”) and BankRI (collectively, “Bank,” “we,” “our,” “us”) and governs your use of our online banking, online bill pay, mobile banking, and mobile check deposit capture services (individually, “Service” or collectively, “Online Bill Payment Service(s)” or “Online Banking”), and any transactions you may initiate with and/or request from us through the Service (“Online Transactions”). By accepting this Agreement, you agree to be bound by the terms and conditions pertaining to the Services that you use.

This Agreement supplements the terms of the other agreements you have entered into with us, including, but not limited to the Banno Terms of Use and Privacy Policy, eStatement Agreement, External Transfer Service Agreement, Zelle® Agreement, Funds Availability Policy, Privacy Notice, Credit Account Agreement, Personal Deposit Agreement or Business Deposit Agreement, as applicable, and related fee schedules and disclosures that govern the terms, conditions, and fees of your deposit account(s) with us, each as may be amended from time to time (such account agreements, fee schedule and related disclosures being referred to as an “Account Agreement” and collectively as the “Account Agreements”). The terms and conditions of your Account Agreements are incorporated by reference and made a part of this Agreement. In the event of a conflict between the terms of this Agreement and any Account Agreements the terms of this Agreement shall control as in regards to the provision of the Services outlined below. Any terms not defined in this Agreement shall have the meaning assigned to them in the Account Agreements. Unless otherwise indicated, the provisions of this Agreement apply equally to both business and consumer customers who use the Services.

The Service allows you to perform banking functions relative to your accounts that are linked to the Service through the use of a personal computer or Internet-enabled Mobile Device. You agree to be bound by the terms and conditions pertaining to Online Banking and the specific terms and conditions applicable to any other associated services, including Online Bill Payment Service, Mobile Banking Service and Mobile Check Deposit Service, that you use as set out below.

By clicking the “accept” button within the Online Banking system, you are electronically signing this Agreement, which shall be considered the same as your authorized written signature constituting your binding agreement to all of the terms, conditions, and notices contained or referenced in this Agreement.

Access to and use of the Service is contingent upon your acceptance of this Agreement. The Bank, in its sole discretion, may restrict or deny Customer access to the Service until the Bank has determined that Customer has accepted or executed the applicable documentation and otherwise provided appropriate information and specifications for the use of the Service, and until the Bank has had a reasonable opportunity to receive and review the acceptance of this Agreement and activate the Service. In any event, Customer agrees that the use by Customer of any Service shall, without any further action or execution or acceptance of any documentation on the part of Customer, constitute Customer’s acceptance of and agreement to the Bank’s terms and conditions for the use of such Service as may be in effect as of the time of such usage, whether set forth in this Agreement or otherwise prescribed by the Bank. In order to activate the Service, you must have at least one Account with us linked to the Service.

1. **Eligibility:** You will be eligible to use the Service if you maintain an open Account and have executed this Agreement, and if we have approved your use of the Services as outlined below.

2. Eligible Accounts:
 - a. Checking (Demand Deposit) Accounts
 - b. Savings Accounts
 - c. Money Market Accounts
 - d. Loans
 - e. Certificates of Deposit
 - f. Safe Deposit Boxes

3. Access: You must have a Computer or mobile Internet-enabled access device (“Mobile Device”), access to the Internet, and a current e-mail address. You must register for the Service by completing any enrollment information required by us in our sole discretion. You must be an authorized user of any Software you select, if required for use with the Service.

At bank’s discretion, your enrollment in the Services may only grant you access to the Accounts you have designated and that are eligible for access with the applicable Service.

If you are a Single User Entity and you have more than one Account, under common ownership and tax identification number, we will “link” the Accounts together. Accounts which are "linked" under the Services will have one common owner.

If you are a Business Account user utilizing the Business Online Banking (“BOB”) service, the terms of your access, account linkage and authority levels as set up through the Online Banking Service are discussed in more detail in **Part 4 – Business Account Terms and Conditions**. Access to Business Accounts via the Single User online banking login will be based on the identification and set up of one user.

Upon enrollment in the Service, you must designate an Online Banking Username and Password, which will be required to gain access to the Service. Our system dictates specific parameters which your Online Banking Username and Password must include.

4. Limitations: We reserve the right, subject to Applicable Law, and in our sole discretion, to modify, suspend, or terminate access to the Service at any time without notice or refund of previously incurred fees. The Bank may change the terms and conditions of this Agreement from time to time to conform with changes or advancements in our services, or as required by Applicable Law. Use of Online Banking after the effective date of such changes will constitute your consent to the changes.

5. Hours of Access: Services are generally accessible twenty-four (24) hours per day, seven (7) days per week, except that the Services may be inaccessible for a reasonable period on a daily basis for system maintenance. We are not liable under this Agreement for failure to provide access due to a system failure or due to other unforeseen acts.

6. Products and Services Offered: Customers may use the Online Services to conduct transfers online including but not limited to online bill payment service, transfer of funds for loan payments, Zelle, external transfers, or transfers between accounts held by the Bank, and transfer of funds from a home equity line of credit held by the Bank to another account at the Bank; remote deposit capture, mobile banking, and electronic statements. These services may be amended from time to time.

These activities are limited to the extent noted herein and in the agreements governing

your various accounts with us. All Services may not be accessible via a PC or Mobile Device. Some services may not be available for certain Accounts or Customers.

7. Additional Services: Additional services may be included in an update to this Agreement or in other separate agreements to notify you of the existence of any new services available through Online Banking or Mobile Banking. Your use of these Services when they become available constitutes your agreement to be bound by the terms and conditions contained in this Agreement and/or separate agreements covering these services.
8. Balance Information: Your “current” account balance is generally current as of 8:00 a.m. Eastern Time (Standard or Daylight) of each Business Day, but may not include recent transactions (such as checks cashed at a teller on the Business Day). In addition, your account balance may show funds that have been credited to your account but are not yet available for withdrawal.
9. Electronic Statements: Account History including statements are available for up to 24 months online. Consult your eStatements Agreement concerning receipt of electronic statements.
10. Mobile banking: Certain Mobile Banking Service functions may be performed using mobile banking services on a wireless phone.
11. Privacy: The Bank is committed to protecting your privacy. All information gathered from you in connection with using the Service will be governed by the provisions of the Bank’s Privacy Notice (the “Privacy Notice”), which is incorporated herein by reference, and the receipt of which you acknowledge as part of your acceptance of this Agreement. Upon enrollment, you are providing us with your expressed prior consent to contact you for fraud prevention, servicing, telemarketing, or other purposes as provided in the Privacy Notice.
12. Customer Security Responsibilities: You are solely responsible for controlling the safekeeping of your Online Banking Username and Password, and other means of access to the Services including your Account numbers, Online Banking, and Mobile Banking. You agree not to give out or make available your Online Banking Username or Password, or other security or access tools as applicable and as necessary to access your Account to any unauthorized individuals. The determination of authorized individuals is dependent upon the type of account and the online system being used as described below.

Regardless of the type of account and the online system being used, you are responsible for all Payment transactions, including Zelle transactions, authorized by you or by anyone to whom you provide access to your Online Services and Accounts. You are liable for all transactions, including Online Bill Payment transactions and Zelle transactions, you make or that you authorize another person to make even if that person exceeds his or her authority.

- a. Access to the system must be managed differently dependent upon which Online Banking service you are using. For Single User online banking, the Bank will issue an Online Banking Username and Password to the account owner who is responsible for the protection of the Online Banking Username and Password to ensure that only account owners are provided access to the account via the Single User online system. For Business Online Banking, please see **Part 4 – Business Account Terms and Conditions** for security requirements.
- b. The use of the Online Banking Username and Password and your Mobile Device is a security control established by the Bank to authenticate the identity of the person

attempting to gain access to the Service. This security is not designed for the detection of errors and we make no representation or warranty as to the security of the information. We may require you to change your Online Banking Username and Password from time to time for any reason. You should keep your Online Banking Username and Password in a secure location. Any person having access to your Online Banking Username and Password will be able to access these Services and perform all transactions, including reviewing Account information and using the Bill Pay Services and Zelle Services. With this Online Banking Username and Password, a third party will be able to use your Online Banking Service to add new payees to the Bill Pay Service and to the Zelle service. YOU ARE RESPONSIBLE FOR SAFEGUARDING THE ONLINE BANKING USERNAME AND PASSWORD AND YOUR MOBILE DEVICE. PROVIDING THE ONLINE BANKING USERNAME AND PASSWORD TO ANOTHER PERSON EFFECTIVELY CONSTITUTES A GRANT OF AUTHORITY TO ACCESS YOUR ACCOUNTS UNDER FEDERAL RESERVE BOARD REGULATION E ("REG E").

i. You agree to comply with these "Customer Security Responsibilities" and any other security steps the Bank directs you to use, and you acknowledge and agree that the Customer Security Responsibilities, including (without limitation) the management of any code, password, personal identification number, user identification technology, token, certificate, or other element, means, or method of authentication or identification used in connection with account access security ("Security Devices"), constitute commercially reasonable responsibilities under Applicable Law for the initiation of transfers and access to confidential customer information. You authorize us to follow any and all instructions entered and transactions initiated unless and until you have notified us, according to notification procedures prescribed by us, that there was a breach or exception in the Customer Security Responsibilities or any Security Device has been stolen, compromised, or otherwise become known to persons other than you or your representative(s) and until we have had a reasonable opportunity to act upon such notice. You agree that unless and until you have notified us of a breach or exception to Customer Security Responsibilities, according to notification procedures prescribed by us, the initiation of a transaction using an Online Banking Username on the system constitutes sufficient authorization for Bank to execute such transaction notwithstanding any particular signature requirements identified on any signature card or other documents relating to your Account(s) maintained with Bank, and you agree and intend that the submission of transactions and instructions shall be considered the same as your written signature in authorizing us to execute such transaction. You acknowledge and agree that you shall be bound by any and all transactions initiated, whether authorized or unauthorized, and by any and all transactions and activity otherwise initiated by you, to the fullest extent allowed by law. You further acknowledge and agree that the Customer Security Responsibilities are not designed to detect error in the transmission or content of communications or transaction initiated by you and that you bear the sole responsibility for detecting and preventing such errors.

- ii. You agree to follow all Customer Security Responsibilities and keep all Security Devices protected, secure, and strictly confidential and to provide or make available the same only to your Authorized Representative(s). You agree not to disclose or provide any access to the system or Security Devices to any unauthorized person. Where you have the ability to change or modify security criteria from time to time (e.g., a password or User Name), you agree to change your password and, where applicable, instruct other individuals to change their password frequently in order to ensure the security of your Account(s). You agree to notify us immediately, according to notification procedures prescribed by us, if you believe that any Online Banking Username and Password or other account access information has been stolen or otherwise become known to persons other than you or your Authorized Representative(s) or if you believe that any transaction or activity is unauthorized or in error. In the event of any actual, suspected or threatened breach of security, we may issue you a new Online Banking Username and Password or other security information as soon as reasonably practicable, but we shall not be liable to you or any third party for any delay in taking such actions.
- iii. We reserve the right to modify, amend, supplement, or cancel any or all account access via the system, and/or to cancel or replace any Security information, including Online Banking Username and Password, at any time and from time to time in our discretion. We will endeavor to give you reasonable notice of any change in account access or security controls; provided that we may make any change without advance notice to you if we, in our judgment and discretion, believe such change to be necessary or desirable to protect the security of your information, your accounts, our systems or our assets. Your implementation and use of any changed security controls after any change in those controls shall constitute your agreement to the change and your agreement that the security controls, as changed, are commercially reasonable and adequate for the purposes intended.
- iv. Because the Mobile Banking Service is similar to Online Banking on a personal computer, there are security risks associated with the use of the Service. The hardware and software that you use in connection with the Service may be subject to unauthorized tracking or other manipulation by spyware or other malicious code. We are not responsible for advising you of the existence or potential effect of such malicious code, and your use of your hardware and software is at your own risk. We will use commercially reasonable efforts to secure the Service to prevent access by unauthorized persons and to prevent the introduction of any malicious code, such as a computer virus. However, no security system is failsafe, and despite our efforts the security of the Service could be compromised or malicious code could be introduced by third parties. We will provide you with notice if your information is the subject of a security breach as required by Applicable Law.
- v. You acknowledge and agree that it is your responsibility to protect yourself and to be vigilant against e-mail and/or text messaging fraud and other internet

frauds and schemes (including, without limitation, fraud commonly referred to as “phishing” or “pharming”). You acknowledge that, other than at the time you are registering for this Service, the Bank will never contact you by e-mail or text message in order to ask for or to verify Account numbers, Online Banking Username and Password, Security Devices, or any sensitive or confidential information. In the event you receive an e-mail, text message, or other electronic communication that you believe, or have reason to believe, is fraudulent, you agree that you shall not respond to the communication, provide any information to the sender of the communication, click on any links in the communication, or otherwise comply with any instructions in the communication. To the extent allowed by law, you agree that the Bank is not responsible for any losses, injuries, or harm incurred by you as a result of any electronic, e-mail, text message or internet fraud.

13. Fees and Charges: The use of certain features related to the Service may result in the assessment of fees or other charges which you agree to pay in accordance with any fee disclosed at the time of the related transaction, or, if not specifically disclosed, then in accordance with our current Fee Schedule.
14. Internal Bank Transfers: Transfers may be made between your BankRI Bank accounts using the Service.
 - a. Limits: Transfers and transfer amounts made via the Services are limited by the terms and conditions of the applicable Account Agreements, or as otherwise described in this Agreement or in other communications we may provide to you from time to time. For more information please refer to your Account Agreement.
 - b. Timing: Transfers may be made 24 hours a day, seven days a week and are reflected in your account available balance information shortly after your requests are received. If you schedule a future time or future recurring transfer to occur on a weekend or Federal holiday, we will process your transfer on the previous Transfer Day. We may refuse to act on your Transfer instructions request if sufficient funds, including funds available under any overdraft protection plan, are not available in your Account on the date you want us to make the transfer.
 - c. Customer Responsibility: You are responsible for ensuring sufficient funds are available for any Transfer you Request. If we complete a Transfer that you make or authorize and we subsequently learn that you have insufficient funds for the Transaction, you agree that we may reverse the Transaction or offset the shortage with funds from any other Account(s) you have with us to the extent permissible by the Applicable Law and the terms of any other relevant Agreements. If there are insufficient funds in your Account to make a Transfer, we may refuse to make the Transfer or we may make the Transfer and overdraw your Account. In either event, you are responsible for any non-sufficient funds (“NSF”) charges that may apply.
 - d. Canceling a Transfer or Payment: You may cancel a pending Transfer transaction prior to the cutoff time on the Transfer Day the Transaction is scheduled to be processed. If we do not receive your instruction to cancel a Transaction before that time, we may process the Transaction. If you need assistance with processing a

cancellation, please contact the Customer Service department at 866-422-6574.

15. **Online Bill Payment Service:** This section provides guidance on the use of our Online Bill Payment Service, which allows you to direct us or our Service Provider to make payments from your Accounts to Payees that you choose in accordance with this Agreement.

- a. **Transaction Responsibilities:** We will use commercially reasonable efforts to process your Scheduled Payments in accordance with your instructions. Unless otherwise prohibited by Applicable Law, neither we, or our Service Provider shall be liable for failure to make any payment transaction if: (1) your Account does not have sufficient funds to complete the transaction; (2) a legal order prohibits withdrawals from your Account; (3) the Account is closed, frozen, or is otherwise not authorized to be debited for the Payment Amount; (4) the transaction would cause your Account balance to exceed the overdraft credit limit; (5) you, or anyone you allow to access your Account, commits fraud or violates any law or regulation in connection with the Online Bill Payment Service; (6) the Online Bill Payment System is not working; (7) you did not provide accurate information for the Account, Payment, or Payee; (8) you did not follow the instructions or terms and conditions of the Online Bill Payment Service; (9) you knew or had been advised that the Online Bill Payment Service was not functioning properly at the time you scheduled your payment; (10) there is a postal delay; (11) circumstances beyond our control (such as fire, flood, or improper transmission or handling by a third party) prevent, hinder or delay the transaction; or (12) you reside outside the United States or its territories or commonwealths.
- b. **Your Responsibilities:** You understand that you are responsible for any Payment request that you make that contains errors or is a duplicate of another Payment. Neither we, nor the Service Provider are liable: (1) if you did not follow the instructions for making a Payment; (2) you failed to promptly notify us after learning that you did not receive a credit from a Payee; or (3) for your acts or omissions or those of any other person, including any Payee or transmission or communications facility, and no such party shall be deemed our or our Service Provider's agent. Under no circumstances shall we or the Service Provider be liable for any special, consequential, incidental or punitive losses, damages, or expenses in connection with the Online Bill Payment Service, even if we and/or our Service Provider have knowledge of the possibility of them. Neither we nor the Service Provider are liable for any act, failure to act or delay in acting with respect to the Online Bill Payment Service if caused, in whole or in part, by any cause beyond our and/or the Service Provider's reasonable control.
- c. **Setting Up and Maintaining Payees:** In order to use the Online Bill Payment Service, you will need to establish at least one Payee in your Payee List. You may add, modify or delete Payees as necessary. All Payees must reside or exist within the United States of America or its territories or commonwealths. We and/or the Service Provider reserve the right to remove or refuse a Payee at any time in our sole discretion. You are responsible for maintaining your Payee List and ensuring Payee information is accurate including, but not limited to your account number with Payee, name on your account with Payee, etc.

When you create a new Payee in the Online Bill Payment service, it has a temporary status until we have had sufficient time to set up the account and for your business Payees to verify information about your account. You should schedule a Payment to a new Payee at least ten (10) Business Days before any Payment due date to allow us time to set up the Payee and verify information about your account with the Payee. The Bank is not liable for any service fees or late charges levied against you due to postal delays or processing delays by the Payee. There is no limit on the number of Payees or number of Payments that may be authorized. Electronic Payments are subject to the availability of sufficient funds in the designated Account. However, the Bank reserves the right to impose limits at some future date, in its sole discretion, notice will be provided as necessary in accordance with Applicable Law. You acknowledge and agree that if you describe a Payee inconsistently by name and account number, scheduled Bill Payment transactions to the Payee will occur on the basis of the account number.

For Payments to a preset Payee, you must allow at least five (5) Business Days between the date you schedule a Payment to be initiated and the Payment due date (that is, the due date shown on your invoice or provided in your agreement with the Payee, not taking into account any applicable grace period). If you do not, you will be fully responsible for all late fees, finance charges or other actions taken by the Payee.

- d. Setting Up Payments:** You may set up one time or recurring payments to your Payees. To set up a payment, you must select a Payee from your Payee List, and follow the instructions for scheduling a payment. You are responsible for canceling, skipping, rescheduling or revising any recurring payments. The Service Provider and/or we retain the right to refuse to or cancel a Payment for any reason. Requested Payments are forwarded to our Service Provider who will transfer the funds to the Payee either electronically or by sending the Payee a paper check. If the funds are sent electronically, your payments will be deducted from your account by a direct automated clearinghouse (ACH) debit through Federal Reserve Banking channels. Payments made via ACH are subject to the rules of the National Automated Clearing House Association (NACHA). The minimum per Payment amount is \$1.00.

When you schedule a Bill Payment that will be made by check, the Payment will be treated as if you wrote a check drawn from your Account. A check will be printed and sent regardless of the balance in your Account. If sufficient funds are not available in your designated account when the check is presented for payment, we may refuse to honor the check and return it unpaid. At our sole discretion, we may elect to pay the check regardless of the insufficient funds. In either event, your qualified designated Account will be charged our then current fee for processing insufficient items, whether the check is paid or returned, as applicable. You are responsible for any loss or penalty that you may incur due to a lack of sufficient funds or other conditions that may prevent the withdrawal of funds from your Account. Bill Payments made by paper checks processed by nonaffiliated third parties may show as drawn on the third party processor or its bank rather than on you or on us.

If Payment is to be made electronically and your Account does not have sufficient available funds to make a Payment as of the date the transfer or Payment is attempted

or scheduled to be made, the Transfer or Payment will be canceled and you will be notified via the Online Bill Payment Service's Secure Messaging center. The Bank shall have no obligation or liability if it does not complete a Transfer or Payment because there are insufficient available funds in your account to process a transaction. In all cases, you are responsible for either making alternate arrangements for the Payment or rescheduling the Payment through the Service. In the case of recurring Payments, only the Payment currently scheduled will be canceled. Recurring Payments schedule for future dates will not be affected.

- e. **Return Payments:** You understand that there may be times when your Payments may be returned by us or to the Service Provider or to you for various reasons including: the account number or account at the Payee is not valid, the Payee address is not valid, the Payee returns or rejects the item, or the account at the Payee has been paid in full or has been turned over to another company or individual. The Online Bill Payment Service shall use commercially reasonable efforts to research and correct the returned payment or void the payment and credit your Account if your Account had been debited. You may receive notification of such occurrences from the Online Bill Payment Service.

- f. **Types of Payments:** You may establish both One-Time and Recurring Payments and Transfers using the Online Bill Payment System. One-Time Payments are made in accordance with your set up instructions and occur when you submit the payment. Recurring Payments and Transfers are payments made for the same amount, on the same date, on a regular schedule. Recurring Payments and Transfers are made automatically until you delete or cancel the Payment or Transfer or upon the expiration date, or set number of payments date range. When a recurring payment is processed, it is automatically rescheduled by the system. Based upon your selected frequency settings for the payment, a process date is calculated for the next occurrence of the payment. If the calculated process date is a non-business date (generally weekends and certain holidays), it is adjusted based upon the following criteria:
 - i. If the recurring payment's "Pay Before" option is selected, the process date for the new occurrence of the payment is adjusted to the first business date prior to the calculated process date.
 - ii. If the recurring payment's "Pay After" option is selected, the process date for the new occurrence of the payment is adjusted to the first business date after the calculated process date. Note: If your frequency settings for the recurring payment specify the 29th, 30th, or 31st as a particular day of the month for processing and that day does not exist in the month of the calculated process date, then the last calendar day of that month is used as the calculated process date.
 - iii. To delete or cancel a Recurring Payment or Transfer, the request must be received prior to 3:00 p.m. Eastern Time on the scheduled Payment date.

- g. **Limitations on Payments:** In addition to any limits described in the Accounts Agreements, the maximum per Payment amount is \$25,000.00. The maximum Payment amount for Person-to-Person (P2P) Payments is \$2,500.00 per day. We may change these amounts at any time without notice unless otherwise required by

Applicable Law.

- h. Limitations on Payments by Customers Using *Business Online Banking* Only:** In addition to any limits described in the Accounts Agreements, the maximum per Day and per Payment amount is \$50,000.00. We may change these amounts at any time without notice unless otherwise required by Applicable Law.
- i. Timing, Editing or Canceling Payments:** Payments requested by 3:00 p.m. Eastern Time will be processed on the same Business Day. Those initiated after that time will be processed on the next Business Day.

Changes to previously scheduled Recurring Payments must be made before 3:00 p.m. Eastern Time on the Business Day it is scheduled to be initiated. If the transaction shows an (IN PROCESS) status, then the Payment cannot be modified or deleted. Although you can enter Payment information through the Online Bill Payment Service twenty-four (24) hours per day, seven (7) days per week, the Bank only initiates these Payments on Business Days. [Funds must be available in your Account on the scheduled payment date.] After funds are withdrawn from your Account to make a Payment, we make the Payment by transferring funds electronically to the Payee. A Single Payment will be processed on the Business Day (generally Monday through Friday, except certain holidays) that you designate as the payment's process date, provided the payment is submitted prior to 3:00 p.m. Eastern Time on that date. A single payment submitted after the cut-off time on the designated process date will be processed on the next Business Day. If you designate a non-business date (generally weekends and certain holidays) as the payment's process date, the payment will be processed on the first Business Day following the designated process date.

- j. Notifications:** The system permits you to establish notifications for a variety of events. To learn more about this service, select the Alert Preferences on your individual accounts.
- k. Canceling, Terminating or Requesting a Stop Payment on a Payment:** You may cancel a pending Payment prior to the cutoff time on the Transfer Day the Transaction is scheduled to be processed. If we don't receive your instructions to cancel before that time, we may process the Transaction. A stop payment cannot be placed on a Bill Payment transaction once issued if the Bill Payment is made electronically. If the Payment is a check drawn on your account, you may stop payment on the check until the check has been presented for payment. Call our Customer Service Center to place a stop payment on a Bill Payment check drawn on your Account, the standard stop payment fee will be charged. There is no fee for deleting a Payment initiated through Bill Payment. In the event a Payment is returned to us for any reason, you authorize us, in our sole and absolute discretion, to either research and correct the Payment information or to void the Payment and re-credit your Account.
- l. E-Bills:** The E-Bills product is a feature of the Online Bill Payment Service that enables you to receive notification of bills electronically. Participating Payees establish their own notification of criteria for reviewing requests to receive electronic bills notification and have sole discretion to accept or decline your request. Online Banking Usernames or Passwords to those individuals. You agree and understand that when you designate an individual as an Administrator, you are providing the authority for that Administrator to designate additional Administrators or Authorized Users all of whom will have access to your accounts that are linked in the system. Any Administrator(s) will be authorized to create additional Administrators or Authorized Users with access to your accounts. You authorize Bank to follow any and all instructions entered and transactions initiated by your Administrators or Authorized Users unless and until you have notified us, according to the notification procedures prescribed by us, that the Online Banking Username and/or Password or other security code has been stolen, compromised, or otherwise becomes known to persons other than you and until we have had a reasonable opportunity to act on such notice. You agree that the initiation of a transaction or instructions by your Administrators or Authorized Users using the Online Banking Username and Password constitutes sufficient authorization for the Bank to execute such transaction or instruction notwithstanding any particular designation by you of authorized persons or signature requirements identified on any signature card or other documents relating to the Account Agreements or your deposit Account maintained with Bank, and You agree and intend that the submission of a transaction and instructions using the Online Banking Username and Password shall be considered the same as your authorized written signature in authorizing us to execute each such transaction or instruction. You further acknowledge and agree that the Online Banking Username and Password are not designed to detect error in transmission or content of communications or transaction initiated hereunder, and that you bear the sole responsibility for detecting and preventing error.

- b. You understand and acknowledge that any Administrator shall have the ability to control security levels such as Service access and transaction limits, including, without limitation, the ability to assign dollar amount limits for Transfer or Payment of funds.
- c. If your Administrator(s) or Authorized Users authorizes other persons/entities to use his/her Online Banking Username and/or Password in any manner, such authorization will be considered unlimited in amount and manner until you have changed the Administrator(s) or Authorized Users Online Banking Username or Password. We will not be liable for and will not reimburse you for any losses that may occur as a result of this use of an Administrator(s) or Authorized Users Online Banking Username and/or Password.
- d. You agree to notify us immediately, according to notification procedures prescribed by us, if you require assistance in reassigning the Administrator function.

We shall not be liable to you or any third party for any loss incurred as a result of your failure to notify us. You agree to indemnify, defend, and hold Bank harmless from any loss, damages, or expenses, including, but not limited to attorney's fees, caused by your, your employees', or your Administrators or Authorized Users failure to keep the Online Banking Username and Password or other security codes confidential and secure.

You acknowledge and agree that these Security Responsibilities are not designed to detect errors in the content of instruction and Transactions. You also understand and agree that these Security Responsibilities, even when properly implemented by use and by you, do not provide a guarantee against unauthorized access to information or unauthorized transactions. Accordingly, you agree to assume risks in connection with the establishment and/or use of the Service. Without limiting the generality of the foregoing, you agree that if Account information is accessed, or if an instruction is made (such as a transfer or payment), by a person using your Online Banking Username and Password or other protected information, we may treat that access request or instruction as being authorized by you if we follow the requirements outlined in this section (even if it was not actually authorized by you), and you agree to be bound by any transactions implemented by those instructions, subject to Applicable Law.

YOU ACKNOWLEDGE AND AGREE THAT ANY ELECTION YOU MAKE TO WAIVE, CHANGE, OR DISREGARD THE SECURITY RESPONSIBILITIES ASSOCIATED WITH THE SERVICE ARE AT YOUR SOLE RISK. YOU FURTHER AGREE THAT ANY PAYMENT, TRANSFER OR OTHER REQUEST PROCESSED OR PURPORTED TO BE PROCESSED BY YOU BY WAIVING, CHANGING OR DISREGARDING THE SECURITY RESPONSIBILITIES SHALL BE TREATED AS AUTHORIZED AND YOU SHALL BE RESPONSIBLE FOR ALL LOSS RESULTING IN WHOLE OR IN PART FROM SUCH WAIVER.
 - iii. You agree to adopt and implement your own commercially reasonable policies, procedures, and system to provide security to information being transmitted

and to receive, store, transmit and destroy data or information in a secure manner to prevent loss, theft or unauthorized access to data or information (“Data Breaches”). YOU AGREE TO SAFEGUARD THE ONLINE BANKING USERNAMES AND PASSWORDS AND MAKE THEM AVAILABLE ONLY TO DESIGNATED INDIVIDUALS. YOU HAVE THE SOLE RESPONSIBILITY TO INSTRUCT THOSE INDIVIDUALS THAT THEY MUST NOT DISCLOSE OR OTHERWISE MAKE AVAILABLE TO UNAUTHORIZED PERSONS THE ONLINE BANKING USERNAMES AND PASSWORDS. YOU HAVE THE SOLE RESPONSIBILITY TO ESTABLISH AND MAINTAIN YOUR OWN SECURITY PROCEDURES TO ENSURE THE CONFIDENTIALITY OF ANY PROTECTED ACCESS TO THE ONLINE BANKING USERNAMES AND PASSWORDS.

f. **Limitation of Liability:** Except as otherwise provided under Applicable Law or in this Agreement, our liability to you in connection with the Service will be limited to the actual Losses sustained by you, and only to the extent such losses are a direct result of our gross negligence, willful misconduct, or bad faith. **IN NO EVENT WILL WE BE LIABLE FOR ANY CONSEQUENTIAL, EXEMPLARY, INDIRECT, OR PUNITIVE DAMAGES OR LOST PROFITS, EVEN IF YOU ADVISE US OF THE POSSIBILITY OF SUCH DAMAGES OR LOSSES. NOR WILL WE BE LIABLE FOR DAMAGES THAT YOU MAY SUFFER OR INCUR IN CONNECTION WITH THE SERVICE INCLUDING, BUT NOT LIMITED TO, ATTORNEYS’ FEES, LOST EARNINGS OR PROFITS, LOSS OR DAMAGE FROM SUBSEQUENT WRONGFUL DISHONOR RESULTING FROM OUR ACTS, OR FOR ANY INDEMNIFICATION CLAIM, WHETHER CONTRACTUAL, EQUITABLE OR OTHER, REGARDLESS OF WHETHER THE LIKELIHOOD OF SUCH CLAIM, LOSS OR DAMAGE WAS KNOWN BY US AND REGARDLESS OF THE BASIS, THEORY OR NATURE OF THE ACTION ON WHICH A CLAIM IS ASSERTED.** Except to the extent otherwise required or provided in this Agreement or by Applicable Law, our aggregate liability to you for all Losses incurred in connection with any single claim shall not exceed the amount equal to the monthly billing to you for the Service over the six (6) month period immediately preceding the date on which the damage or injury giving rise to such claim is alleged to have occurred.

You agree and acknowledge that the limitations of liability set forth in this section and the indemnification obligations set forth below, as well as elsewhere in this Agreement, represent a bargained for allocation of risk and liability, and the parties agree to respect such allocation of risk and liability.
